The Way of Herbs Michael Tierra

Fully updated with the latest developments in herbal science, this practical and useful guide offers comprehensive descriptions of herbal treatments for cancer, arthritis, colds, and influenza. It shows how to gain and maintain health through a holistic approach, with information on simple herb remedies, and descriptions of more than 140 Western herbs and 31 Chinese herbs.

The Way of Herbs is an essential manual for gaining and maintaining good health through a holistic approach, a natural path to well-being and is “the one book that should be in everyone’s library” (William McGarey, MD).

Discover:

- *The three functions of herbs
- *Eight traditional methods of herbal therapy
- *The benefits of a balanced diet
- *Herbal treatments for cancer, herpes, acne, arthritis, back pain, weight problems, colds, and flu
- *Detailed descriptions, use, and dosage for more than 140 Western herbs and 31 important Chinese herbs
- *How to purchase, grow, and store herbs
- *A new, extensive directory of herbal health-care stores

“The first herb book that effectively blends Eastern, European, and American Indian healing traditions” (Steven Foster, director of the American Center for Herb Study).

Many people spending their time by playing outside having friends, fun activity together with family or just watching TV the entire day. You can have new activity to spend your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Touch screen phone. Like The Way of Herbs which is keeping the e-book version. So , try out this book? Let's observe.

Irma Murray:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Way of Herbs can make you feel more interested to read.
