## **Warehouse** Keith Gray

'I know a place you can go'. It's a secret place hidden among the run-down buildings of the derelict dockyards.

A community of young people have gathered in an old warehouse to get away from a world they don't fit in to. Through separate but interweaving narratives Warehouse tells the stories of three of the community's members. There's Robbie who is running away from his violent older brother, Frank, and needs some space to realise that the beatings are not his fault. Amy, who's supposed to be travelling in Europe but has had her rucksack stolen and is too proud to ask her smothering family for help. And then there's Lem, an ex-drug-addict and founder of the Warehouse community, whose perceived role as leader by the other young people is too much for him to cope with.

#### **Diane Dockins:**

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says,

ways to reach Chinese's country. So , this Warehouse can make you sense more interested to read.
