Wicked Pissed: New England's Most Famous Feuds Ted Reinstein

From sports to politics, food to finance, aviation to engineering, to bitter disputes over simple boundaries themselves, New England's feuds have peppered the region's life for centuries. They've been raw and rowdy, sometimes high minded and humorous, and in a place renowned for its deep sense of history, often long-running and legendary. There are even some that will undoubtedly outlast the region's ancient low stone walls.

Ted Reinstein, a native New Englander and local writer, offers us fascinating stories, some known, others not so much, from the history of New England in this fun, accessible book. Bringing to life many of the fights, spats, and arguments that have, in many ways, shaped the area itself, Reinstein demonstrates what it really means to be *Wicked Pissed*.
