You Are Here: Exposing the Vital Link Between What We Do and What That Does to Our Planet

Thomas M. Kostigen

“A passionate and heartfelt call to care.”

—Bruce Feiler, *New York Times* bestselling author of *Walking the Bible* and <?xml:namespace prefix = st1 ns = "urn:schemas-microsoft-com:office:smarttags" />America's Prophet<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

In *You Are Here*, Thomas Kostigen, the *New York Times* bestselling co-author of *The Green Book*, takes us to the most extreme environmental areas on the planet to show how what we do from the comfort of our own home affects people, places, and things everywhere. A timely, much-needed alarm that recalls Al Gore's *An Inconvenient Truth* combined with a compelling travel narrative reminiscent of Anthony Bourdain with straight ahead Anderson Cooper-like reporting, *You Are Here* is “an intriguing and insightful account that deserves to be read by everyone” (Mark Plotkin, *Time Magazine* Hero for the Planet).
