Chelsey was dealt the unthinkable.

When Her Only Surviving Parent, her beloved father, was violently murdered days before her fourteenth birthday, Chelsey's life was forever changed. As she was forced to come to terms with a new home life, a new school . . . a new identity as an orphan, Chelsey struggled to make sense of her personal tragedy. Yet she found a way to flourish despite all the odds.

"I thought of myself in a new light: a girl, newly fourteen, standing in her dead father's study, all in black, a single tear streaming down her cheek. I was alone. My family told me again and again I was not, but without him, I was. I was no longer anyone's child."
