## **Il Wto (Farsi un'idea) (Italian Edition)** Antonio Parenti

Sorto nel 1995 per governare e sviluppare il commercio internazionale il Wto è stato il principale bersaglio della protesta no global, ma ha saputo dimostrare tutta la sua efficacia mantenendo i mercati mondiali aperti durante una delle più gravi crisi finanziarie degli ultimi decenni. Ma come funziona realmente il Wto? Oltre a fornire un profilo complessivo di questa importante istituzione il volume, ripresentato in edizione aggiornata, discute costi e benefici di una politica commerciale non protezionistica, illustra le richieste avanzate dai paesi poveri e dalle Ong, spiega lo stallo del round di Doha e la crescita degli accordi commerciali conclusi al di fuori del Wto. Un quadro che evidenzia anche i rischi e i pericoli di una sua perdita di rilevanza sulla scena internazionale.
