**Occupy Spirituality: A Radical Vision for a New Generation (Sacred Activism)** Adam Bucko, Matthew Fox

Named one of the **Best Spiritual Books of 2013** by SPIRITUALITY & PRACTICE in the JUSTICE category!

The Occupy Wall Street movement and protest movements around the world are evidence of a new era of intergenerational activists seeking deeper spiritual meaning in their quest for peace and justice.

This book is a call to action for a new era of spirituality-infused activism. Authors Adam Bucko and Matthew Fox encourage us to use our talents in service of compassion and justice and to move beyond our broken systems--economic, political, educational, and religious--discovering a spirituality that not only helps us to get along, but also encourages us to reevaluate our traditions, transforming them and in the process building a more sacred and just world.

Incorporating the words of young activist leaders culled from interviews and surveys, the book provides a framework that is deliberately interfaith and speaks to our profound yearning for a life with spiritual purpose and for a better world. Each chapter is construed as a dialogue between Fox, a 72-year-old theologian, and Bucko, a 37-year-old spiritual activist and mentor to homeless youth. As we listen in on these familiar yet profound conversations, we learn about Fox and Bucko's own spiritual journeys and discover a radical spirituality that is inclusive, democratic, and relevant to the world we live in today.
