Some people take secrets to the grave. Others must part with theirs in order to save someone they love. However, sometimes the outcome is not what we intend and it becomes too late to take back what we share.

As you read this book, you will want to dip your feet in the waters that surround the Claddagh, drive to the rugged Connemara Coast and cross the sand bridge to the tidal island of Omey. You will want to walk in the footsteps of the characters you get to know in these pages. You will nearly hear them calling your name and you will want to call back.

The Blonde, The Buddha, The Claddagh is a book that will stay with you forever. Some people come and go in our lives but most of these characters will leave an imprint in your heart and in your mind.
