*Cammon confronts evil in unusual circumstances in this fast-paced third volume in the series*

Peter Cammon, now retired from New Scotland Yard, is drawn into a confrontation with evil in a most unlikely setting. The former chief inspector finds himself in the suburbs of Salt Lake City, Utah, chasing a depraved man who may have deep terrorist connections.

When a killer attacks on tranquil Hollis Street, the neighbors seem apathetic — silent to the point of complicity. A resident has been beheaded, her husband has disappeared, and there is no obvious perpetrator. A drug dealer? A terrorist? An angry neighbor?

Peter joins the manhunt and is shocked to discover a link from the killer to the Unabomber and Oklahoma City bombing cases, files Peter himself worked on during the 1990s. In order to trap the killer-terrorist, Peter and his acquaintance in local law enforcement, Henry Pastern, must strike unholy alliances with corrupt cops, Mexican drug lords, and the Unabomber himself. Will Peter have to bend the law and embrace the rules of the Old West to stop this psychopath?
