## **Cancer Is a Bitch: Or, I'd Rather Be Having a Midlife Crisis** Gail Konop Baker

Gail Konop Baker was a runner, yoga practitioner, doctor's wife, and lifelong subscriber to *Prevention* magazine. But right before her forty-sixth birthday, she heard the words that would forever change her life: *Just to be safe, I think we should biopsy*. It was the beginning of her yearlong battle with breast cancer and its fallout—a battle that would upstage any midlife crisis she'd worried was waiting in the wings. *Cancer Is a Bitch* is her raw, moving, and funny account of juggling midlife, motherhood, and marriage with a rogue boob—and, ultimately, triumphing. It will, as author Lolly Winston said, “crack [you] up one minute, then bring [you] to tears the next.”
