Identical twins Kenya and London return in the highly addictive Essence bestselling Say U Promise series, and now things have gone from bad to worse for the tragically troubled sisters. They are caught in the middle of a deadly drug war that was started by one of them, and the streets run red as lives are drastically changed forever. With an illegitimate baby on the way and a price on her head, one twin fights to avoid the dangers of the game she despises, while facing the vindictive wrath of her sister for what is deemed to be the ultimate betrayal. This time around, no one is safe when it comes to revenge--not even an innocent child.
