She is love advice in a coffee shack, he's protection in a biker bar. When her past meets his present, it's a killer cocktail that might get them shot, stabbed, or otherwise dead.

Tori Baldwin spends all her time traveling the states, running a mobile coffee shack, and handing out love advice with every cup. She's staked her rig in the parking lot of Cactus Cove - a local biker bar by all appearances - and plans to stay put for three months. Just long enough to make some money, without making any friends, before she moves to her next destination as she tries to stay ahead of a painful past.

Rain Brookshire is the leader of the Bantorus motorcycle club, and owner of the Cactus Cove in the small town of Pitnam, Washington. He wants the Lagsturns, a rival-bad-news motorcycle club, to leave town before they infect his town with trouble.

With bullets flying and the Lagsturns putting on the pressure, the only way to keep Tori safe - since she refuses to leave town - is for Rain to claim her as his woman. She has no idea that Rain's played his hand for all to see in the biker world. It doesn't help that Tori exhibits the three ideal classifications of his ideal woman - Classy, Sexy, and a total Goof - and he can't help but posture and lay down the law. But, when it appears Tori's life is in danger, and the Lagsturns are innocent, he isn't going to let the law stop him from keeping his woman safe.
