**Chronicles of Conan Volume 2: Rogues in the House and Other Stories** Roy Thomas, Barry Windsor-Smith

Compiling the early Conan the Barbarian stories by writer Roy Thomas and artist Barry Windsor-Smith, this collection contains some of the most powerful and compelling comic stories ever created. Following Robert E. Howard's pulp hero Conan through the early part of his life, Thomas and Windsor-Smith (then going by the name "Barry Smith") wove together pieces of the fantasy, horror, and science fiction genres, all built around the framework of Howard's original fiction. Featuring completely remastered color and text corrections, these stories have been unavailable in color since their original publication, nearly thirty years ago. A must for Conan fans and art aficionados alike.
