E-didactics and practices for e-learning

Marco Casella

E-didactics and practices for e-learning Marco Casella

Starting from a definition of e-learning and its historical overview, this book wants to answer two questions. Which criteria has to follow a project of online didactics? Which models and strategies can be applied? Devoted to teacher and students, the book describes the basis for the construction of an e-learning course, with the figures involved.
