*I realized that no matter how much I wanted the past to remain intact,
what was would never be again. We all got older. We all moved on.
And maybe things were supposed to change...*

Funny, intelligent, and, above all, relevant, *Free Style* is an inspiring novel about two thirtysomething married moms -- one who is separated and the other whose marriage is hanging on by a thread. They decide to escape their to-do lists to revisit their past at Club 90, a nightclub they frequented in the early nineties. There they meet up with old friends and lost loves and dance their troubles away to Lisa Lisa and C&C Music Factory. But when they're hit with a shocking dose of reality, they must decide whether to stay in the past or move on.

More than just a fun read, *Free Style* explores serious issues that women grapple with all the time -- keeping romantic relationships alive, dealing with unexpected illness, single motherhood, and the need to come to terms with the past.
