Construction workers, plumbers, gardeners - or any hard working man with a tool belt - plays a part in many gay male fantasies. In this steamy collection, we take a ride to the top of a high-rise under construction for a precarious steel-beam encounter; go down in the belly of a dark steamy mine; hang out with some hunky, sweaty landscapers; and slip into the construction manager's office for a quickie.

Wherever we go, you'll find sexy, loving men who are turned on by more than their buddies' tools. In this world, the hats are not the only thing that's hard.
