Isabella Trueblood made history reuniting people torn apart by war and an epidemic. Now, generations later, Lily and Dylan Garrett carry on her work with their agency, Finders Keepers. Circumstances may have changed, but the goal remains the same.

### *Lost*

Her so-called life. Calley Graham's overprotective mother had stood in her way long enough. But all that would change if she could sign on as a rookie investigator for Finders Keepers!

### *Found*

One tough trail boss. Matt Radcliffe was leading a cattle drive out of New Mexico. He sure didn't have time for a pesky investigator who wanted to drag him back to Pinto, Texas. But Calley figured if she volunteered to take over as camp cook, she could keep her job, and maybe keep the cowboy, too!
