Most of the Silver State is situated in the Great Basin, an arid plateau broken up by many short mountain ranges running from north to south. Nevada is the permanent or migratory home of 488 species of birds, including the state bird – the beautiful mountain bluebird. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.
