## **Sylvia Plath: Drawings** Sylvia Plath, Frieda Hughes

*Sylvia Plath: Drawings* is a portfolio of pen-and-ink illustrations created during the transformative period spent at Cambridge University, when Plath met and secretly married poet Ted Hughes, and traveled with him to Paris and Spain on their honeymoon, years before she wrote her seminal work, *The Bell Jar*.

Throughout her life, Sylvia Plath cited art as her deepest source of inspiration. This collection sheds light on these key years in her life, capturing her exquisite observations of the world around her. It includes Plath's drawings from England, France, Spain, and New England, featuring such subjects as Parisian rooftops, trees, and churches, as well as a portrait Ted Hughes.

*Sylvia Plath: Drawings* includes letters and diary entries that add depth and context to the great poet's work, as well as an illuminating introduction by her daughter, Frieda Hughes.
