This is a source of detailed information of the treatment of a Hepatitis B patient. Even though the focus is on Hepatitis B, there's useful information and resources listed for other hepatitis types, especially Hepatitis C.

The book is written in journal form to give the readers a complete picture of the authors' experience. Read about the six-month combination treatment of Interferon Alpha-2b and Ribavirin (Virazole). There are tables clearly listing drugs, food intakes, vitamins and hormones. A great resource for anyone associated with hepatitis directly or indirectly, every victim, family or friend, hepatologist, nurse or medical student. Be informed about this deadly disease.
