Body Surfing: A Novel Dale Peck

From one of America's most acclaimed writers, a startling and visionary novel about a race of demons who inhabit humans and wreak havoc on the lives of two small-town boys.

In a small town in upstate New York, best friends Q. and Jasper live typical high school lives filled with parties and girls. When Q. starts acting recklessly, defacing lockers and misusing Bunsen burners, Jasper thinks his buddy is just letting off steam. But when his actions put both of their lives in danger, it's clear that Q. is possessed by something far more sinister than mere teenage high spirits.

Meanwhile, halfway around the world in Khartoum, Ileana Magdalen is tracking an elusive man who has left a trail of blood and bodies behind him, bringing strife, war, and genocide wherever he goes. It is Ileana's mission to stop him, for she is a member of an elite group of hunters initiated into a mystery that plagues humanity and drives men and women to commit unspeakable crimes.

When Ileana, Q., and Jasper are brought together, the loyalties of friendship are tested in unimaginable ways, and the living, the dead, and those who are beyond death become entangled in a violent battle as old as mankind itself.

In *Body Surfing*, celebrated author Dale Peck presents a beautifully written page-turner of a literary thriller. It is a mesmerizing tale in which a complete parallel universe is filled with shockingly dark corners where the secrets of human nature wait to be discovered.
