Rivers West (The Talon and Chantry series Book 8) Louis L'Amour

His dream was to build magnificent steamboats to ply the rivers of the American frontier. But when Jean Talon began his journey westward, he stumbled upon a deadly conspiracy involving a young woman's search to find her missing brother, and a ruthless band of renegades. Led by the brazen Baron Torville, this makeshift army of opportunists is plotting a violent takeover of the Louisiana Territory. Jean swears to find a way to stop this daring plan. If he doesn't, it will not only put an end to all his dreams; it will change the course of history—and destroy the promise of the American frontier.
