Straight from British shores, here is another dose of love, or the lack of it, from the pages of the *London Review of Books*. The editor of *They Call Me Naughty Lola* has cooked up yet another irresistible collection of brilliant, bawdy and often absurd personal ads from the world's funniest, and smartest, lonely-hearts column. These ads prove that even if you're lonely, you don't have to be boring, as advertisers in this book demand much more than long walks on the beach and candlelit dinners from their potential mates.

Arranged by theme ('The Usual Hyperbole and a Whiff of Playful Narcissism'), and including footnotes to obscure references, *Sexually, I'm More of a Switzerland* promises to be 'a naughty treat' (*Entertainment Weekly*).
