The Abused Werewolf Rescue Group Catherine Jinks

When Tobias Richard Vandevelde wakes up in a hospital with no memory of the night before, his horrified mother tells him that he was found unconscious. At Featherdale Wildlife Park. *In a dingo pen*. He assumes that his two best friends are somehow responsible, until the mysterious Reuben turns up, claiming that Toby has a rare and dangerous “condition.” Next thing he knows, Toby finds himself involved with a strange bunch of sickly insomniacs who seem convinced that he needs their help. It’s not until he’s kidnapped and imprisoned that he starts to believe them—and to understand what being a paranormal monster really means.
