Nominated for the prestigious Shamus Award, *The Evil That Men Do* is the second novel in Dave White's critically acclaimed Jackson Donne series.

Even generations later, you can't escape. . .the evil that men do.

Stripped of his private investigator's license and slumming it as a night security guard at a Jersey storage facility, Jackson Donne thinks he's finally hit rock bottom. Then the bottom really falls out: The sister he hasn't seen in years shows up, needing help.

Turns out Donne's Alzheimer's-stricken mother has begun hinting at long-buried family secrets from her hospital bed, suggesting a sinister—even murderous—past. Meanwhile, Donne's relatives are suddenly being greeted by blackmail, car bombs, and bullets to the back of the skull.

All Donne wants is to disappear—preferably into a nice frosty pint glass—but he soon realizes that his only chance at saving his family, and himself, is by solving a mystery more than sixty years old. Now he needs to figure out how a hit man, crooked cops, corrupt politics, a kidnapping, and the city of Bayonne all fit together. He'll discover that old family secrets still have the power to kill in this razor-sharp PI story that makes classic noir new again.
