The book you hold in your hands will ask you to take a good look (and maybe a new look) at the way you see the world. It will introduce you to ideas we might not think about every day (but maybe we should). What happens when the majority is wrong? Where do your ideals and convictions come from--are they yours alone or did someone give them to you? What purpose does anger serve? Is there a difference between loneliness and aloneness? Where do love and lust meet? Can you love someone and love yourself too? What is jealousy? How can one truly forgive?

*Your Answers Questioned* is a collection of intriguing, humorous and surprising inquiries; each page will encourage you to consider the world in a different way, from a different angle, by gently pointing you in new and interesting directions. You never know. You just might find some new answers (and some new questions).
