As a scholar exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you
