These guys have been there and know what it takes to get even the biggest commitment phobes to take the plunge.

Closing the Deal will help you make a realistic assessment of your relationship and offers a fresh perspective on how your man's mind works. You'll find a new way to drive your relationship toward marriage without resorting to game playing.

The authors promote the importance of truth telling, self-positioning, and the artful use of marketing tactics to reel in your man. You don't have to be the prettiest, thinnest, or richest woman to close the deal -- there is an art to it!

Closing the Deal is not about outsmarting your man to the altar -- it's about learning to understand him. Richard and Daniel explain that no matter how much a guy may love his significant other, Change is the Enemy, so wannabe brides everywhere must convince their boyfriends that marriage is man's best friend. **Closing the Deal** will show you how to do just that.

To help future brides build their matrimonial muscles and monitor their progress, Richard and Daniel include quizzes and real-life scenarios and throw in a glossary for extra clarification.

Honest and supportive, funny and straightforward, these ideal big brothers offer a sure cure for the wedding-bell blues.
