Don Segundo Sombra (Spanish Edition)

Ricardo Güiraldes

Don Segundo Sombra (Spanish Edition) Ricardo Güiraldes

Entre los tópicos inicialmente esgrimidos contra esta novela está su carácter popular, su respeto casi periodístico por el habla y las costumbres de los gauchos. Sin embargo, desde el principio mismo del texto se percibe que no estamos ante un retrato localista o una exaltación ingenua de un tipo social. El relato es moderno por su construcción y ritmo, por su tratamiento de los personajes, por la yuxtaposición de las escenas y por su descripción de la «épica» política. Los personajes parecen extrañamente implicados en los conflictos de su tiempo y a la vez distantes, obedeciendo a impulsos interiores que contrastan con una realidad de fondo.
