Earliest Toronto

Robert M. MacIntosh

Earliest Toronto Robert M. MacIntosh

Almost half the population of Toronto-immigrants and newcomers from elsewhere in Canada-has no cultural memory of our city's beginnings. In a bid to fill this gap, Earliest Toronto tells the city's story up to the War of 1812 and its aftermath.

Beginning with the dramatic conflicts in the aboriginal communities around Lake Ontario before the coming of the Europeans in the early seventeenth century, followed by two centuries of French exploration and settlement, the city's early history will surprise many Torontonians.

Simcoe, the founder of the village of York in 1793, is often presented as a great administrator and military leader. In fact he was a poor manager with no attachment to Canada, and a vigorous advocate of English snobbery and class distinction. His chief concern was to gain preferment in London and to transplant the values of the British class system to the forest frontier.

Earliest Toronto makes a plausible case that the real founder of Toronto was William Berczy, a remarkably cultured and determined man who led an expedition of German immigrants to Markham in 1794, and who contributed significantly to the early development of the new settlement.

Later chapters focus on the people and events that shaped the early years of a struggling frontier community. One of the stories is about the sinking of the Speedy on Lake Ontario, and how it led to the building of The Grange, today one of Toronto's oldest extant buildings and the birthplace of the Art Gallery of Ontario.

From reader reviews:

Gerard Brand:

What do you concentrate on book? It is just for students as they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has several personality and hobby for every other. Don't to be obligated someone or something that they don't wish do that. You must know how great as well as important the book Earliest Toronto. All type of book are you able to see on many methods. You can look for the internet solutions or other social media.

Robert Franco:

Information is provisions for those to get better life, information presently can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is inside the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you have the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Earliest Toronto as the daily resource information.

David Dozier:

The particular book Earliest Toronto has a lot associated with on it. So when you check out this book you can get a lot of advantage. The book was compiled by the very famous author. The writer makes some research ahead of write this book. This kind of book very easy to read you can find the point easily after reading this article book.

Tim Andrus:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Earliest Toronto can make you sense more interested to read.
