Introduction à la médecine expérimentale (French Edition)

Claude Bernard, Ligarán

Introduction à la médecine expérimentale (French Edition) Claude Bernard, Ligarán

Extrait : "Conserver la santé et guérir les maladies : tel est le problème que la médecine a posé dès son origine et dont elle poursuit encore la solution scientifique. L'état actuel de la pratique médicale donne à présumer que cette solution se fera encore longtemps chercher. Cependant, dans sa marche à travers les siècles, la médecine, constamment forcée d'agir, a tenté d'innombrables essais dans le domaine de l'empirisme et en a tiré d'utiles enseignements."
