Airships Barry Hannah

Now considered a contemporary classic, *Airships* was honored by *Esquire* magazine with the Arnold Gingrich Short Fiction Award. The twenty stories in this collection are a fresh, exuberant celebration of the new American South — a land of high school band contests, where good old boys from Vicksburg are reunited in Vietnam and petty nostalgia and the constant pain of disappointed love prevail. *Airships* is a striking demonstration of Barry Hannah's mature and original talent.
