Tamar Chansky

Freeing Your Child from Negative Thinking: Powerful, Practical Strategies to Build a Lifetime of Resilience, Flexibility, and Happiness Tamar Chansky

A leading clinical expert in the fields of child cognitive behavior therapy and anxiety disorders, Dr. Tamar Chansky frequently counsels children (and their parents) whose negative thinking creates chronic or occasional emotional hurdles and impedes optimism, flexibility, and happiness. Now, in the first book that specifically focuses on negative thinking in kids, *Freeing Your Child from Negative Thinking* provides parents, caregivers, and clinicians the same clear, concise, and compassionate guidance that Dr. Chansky employed in her previous guides to relieving children from anxiety and obsessive compulsive symptoms. Here she thoroughly covers the underlying causes of children's negative attitudes, as well as providing multiple strategies for managing negative thoughts, building optimism, and establishing emotional resilience.
