Princess of Bretagne Vijaya Schartz

Published by Books We Love Ltd. 806 AD - Alba (Ancient Scotland) As the Vikings raid the coast of Alba, Pressine of Bretagne sets out to seduce King Elinas of Dumfries, chosen by the Goddess to unite the tribes against the foreign invader. Elinas, still mourning his departed queen, has no intention to remarry.

Head?strong and independent, Pressine does not expect to fall for the very attractive, wise and noble ruler... Furthermore, her Pagan nature clashes with the religious fanaticism of the king's Christian heir, who suspects her unholy ancestry and will stop at nothing to get rid of her.

"This story is filled with action and danger and there are many interesting secondary characters that help drive the plot forward. I particularly like Gwenvael, Pressine's brother, who has extensive scenes in his own viewpoint scattered throughout. Look for the just released, PAGAN QUEEN, to continue the saga of these two lovers" Gayle, Romance Junkies Reviews
