Singapore: World City

Kim Inglis

Singapore: World City Kim Inglis

With stunning photographs and insightful commentary this travel pictorial and Singapore travel guide captures the dynamism of a remarkable Pacific nation.

In just a few short decades, Singapore has transformed itself from a tiny island off the coast of mainland Asia into a global superpower in banking, IT, education, biotech, transportation and many other fields. The fascinating story of how this tiny city-state which has no hinterland, no natural resources, and a relatively small population has achieved success is told in this book.

Singapore's history as a British colonial port, its dynamic multi-ethnic population, and its innovative governmental and social structures, are a part of the story. But there are others as well. How Singapore became a regional hub for finance, shipping and air travel, and now also for the arts, sport and leisure—are all showcased in dynamic detail, with over 300 full-color photographs to illustrate graphically how this small island functions like a well-tuned racing machine.

Author Kim Inglis, a journalist and long-time local resident, leads the reader on a series of explorations through Singapore's most notable districts and neighborhoods, explaining the growth and importance, and showcasing what they have to offer the visitor.

From reader reviews:

Neil Myers:

Have you spare time for a day? What do you do when you have a lot more or little spare time? Sure, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a walk, shopping, or went to the actual Mall. How about open or even read a book titled Singapore: World City? Maybe it is to become best activity for you. You recognize beside you can spend your time using your favorite's book, you can smarter than before. Do you agree with it is opinion or you have other opinion?

Alice Walker:

Nowadays reading books are more than want or need but also become a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The data you get based on what kind of book you read, if you want drive more knowledge just go with education and learning books but if you want experience happy read one together with theme for entertaining for example comic or novel. The actual Singapore: World City is kind of reserve which is giving the reader unforeseen experience.

Federico Hayward:

Do you have something that you enjoy such as book? The book lovers usually prefer to choose book like comic, short story and the biggest some may be novel. Now, why not hoping Singapore: World City that give your pleasure preference will be satisfied by means of reading this book. Reading habit all over the world can be said as the method for people to know world much better then how they react towards the world. It can't be stated constantly that reading behavior only for the geeky particular person but for all of you who wants to end up being success person. So , for every you who want to start examining as your good habit, you may pick Singapore: World City become your starter.

Wanda Davis:

This Singapore: World City is fresh way for you who has intense curiosity to look for some information since it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Singapore: World City can be the light food for you personally because the information inside this specific book is easy to get by means of anyone. These books produce itself in the form and that is reachable by anyone, yeah I mean in the e-book type. People who think that in reserve form make them feel sleepy even dizzy this publication is the answer. So there is not any in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the item! Just read this e-book type for your better life and knowledge.
