This student career resource can help students understand USAJOBS government job listings, so that they can emphasize the qualifications, skills, and competencies for new graduate positions.

Recent Graduates and entry-level hires are seeking careers in public service. The government is hiring with the new Pathway Programs for recent graduates and new entry hires. With the recent high retirements in government, there are upcoming positions for new graduates with all majors.

New graduates do not know that the federal resume is not the same as the private industry resume. This new edition shows new hires how to feature education, courses, paper and projects from college courses and recommends internships in government agencies to increase their chances of getting hired. Includes sample resumes, charts and screen shots from USAJOBS.
