The First Day Without Cancer: The Battles We Have Won, and Those We Will Win Umberto Veronesi

“Professor, will there ever be an end to cancer?”

This is one of the questions Umberto Veronesi gets asked most often. Today’s researchers have made great strides toward finding an absolute cure for cancer. In this book, world-renowned oncologist Umberto Veronesi highlights the progress made in this difficult field, describing the battles we have won and those we intend to win in the near future.

The day will come when cancer will cease to be a problem. Healthy lifestyles and ongoing research assure us of this. *The First Day Without Cancer* is an illuminating book that provides a fascinating glimpse into the future of cancer treatments, giving solid evidence indicating that the first day without cancer is imminent.
