Rich or poor, popular or unnoticed, we're all looking for the same thing: new life. But if young people don't get things right on the inside, they will never be the happy, successful people they were created to be. Happiness and success are an inside job. This is a book about "S-Words" - the "don't go there" words - those topics that get Sunday school teachers replaced and youth pastors fired: self-esteem, significance, sex, secrets, and suicide. Dive deeply into the topics we've all wrestled with and discover what God says about life's toughest issues.
