Disordinate Esistenze - Parte Seconda (Italian Edition) Andrea Maffioli

Il prototipo del personaggio inetto che occupa tanta parte della produzione pirandelliana e sveviana costituisce il fulcro di questa raccolta.

Inseriti nel contesto dell'odierno assetto sociale, i protagonisti si ritrovano nella paradossale difficoltà di vivere la propria vita.

Racconti di fantascienza si alternano a racconti realistici per porre in evidenza sempre personaggi comuni che si trovano ad affrontare le quotidiane barriere che si impongono dall'esterno. Tali barriere sono destinate ad accentuarsi sempre più fino ad una loro assoluta affermazione nella immaginaria proiezione di un futuro non poi così lontano.

Sono storie intense, scritte da un autore che condivide con i propri personaggi la crisi di questo secolo. La riflessione è caratteristica di questa umanità, è unica manifestazione di vita. Ma non si vogliono emettere sentenze finali. L'autore non crede di poterlo fare.

Si cerchi dentro di sé la propria liberazione.

Silvia Toniolo
