Half the Way Home: A Memoir of Father and Son Adam Hochschild

From the author of the best-selling *King Leopold's Ghost*, this haunting and deeply honest memoir tells of Adam Hochschild's conflicted relationship with his father, the head of a multinational mining corporation. The author lyrically evokes his privileged childhood on an Adirondack estate, a colorful uncle who was a pioneer aviator and fighter ace, and his first explorations of the larger world he encountered as he came of age in the tumultuous 1960s. But above all this is a story of a father and his only son and of the unexpected peace finally made between them.
