**Intermediate Algebra, Books a La Carte Edition (4th Edition)** Elayn Martin-Gay

**This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook.**

Elayn Martin-Gay firmly believes that every student can succeed, and her developmental math textbooks and video resources are motivated by this belief. **Intermediate Algebra, Fourth Edition** was written to provide students with a solid foundation in algebra and to help them transition to their next mathematics course. The new edition offers new resources like the Student Organizer and now includes Student Resources in the back of the book to help students on their quest for success.
