This book is a well-illustrated and practical guide to implementing and understanding Scalix. It includes exhaustive references to the relevant online documents and RFCs. This book is written for Linux administrators who wish to set up an email server for businesses or who wish to switch to Scalix from another email server. Scalix can be used very easily by beginners; however, advanced strategies and administrative tasks are difficult to learn and this book will help you master them all.

From reader reviews:

William Nix:

Have you spare time for the day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their particular spare time to take a move, shopping, or went to the actual Mall. How about open as well as read a book called Liferay Portal Enterprise Intranets? Maybe it is to get best activity for you. You realize beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with the opinion or you have various other opinion?

Ruth Michel:

Reading a book tends to be new life style in this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this Liferay Portal Enterprise Intranets.

Gary Lafountain:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your day time to upgrading your mind skill or thinking skill even analytical thinking? Then you are having problem with the book compared to can satisfy your short space of time to read it because this all time you only find guide that need more time to be examine. Liferay Portal Enterprise Intranets can be your answer mainly because it can be read by anyone who have those short spare time problems.

Kelly Brooks:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Liferay Portal Enterprise Intranets can make you feel more interested to read.
