## **One Man Great Enough** John C. Waugh

The award-winning historian John C. Waugh takes us on Lincoln's road to the Civil War. From Lincoln's first public rejection of slavery to his secret arrival in the capital, from his stunning debates with Stephen Douglas to his more contemplative moments, Waugh shows us America as Lincoln saw it and as Lincoln described it. Much of this wonderful story is told by Lincoln himself, detailing through his own writing his emergence onto the political scene and the evolution of his beliefs about the Union, the Constitution, democracy, slavery, and the buildup to the Civil War. In this acclaimed biography, Waugh brings us ever closer to understanding this mysterious, complicated, and truly great man.
