*The Burning Shore*, another gripping installment in Wilbur Smith's Courtney Family Adventure series

Centine de Thiry grew up with privilege, wealth, and freedom on a sprawling French estate. In a strange world, under a great rushing sky, Centaine sets forth in the company of wandering Bushmen--and then into the arms of a renegade white soldier who may be her savior or destruction. As Michael Courtney's family searches for Centaine, she comes near her promised land--and the untold tragedy and riches that it holds...
