## **The Fairy Tales of Charles Perrault** Charles Perrault

Charles Perrault laid the foundations for a new literary genre, the fairy tale, with his works derived from pre-existing folk tales. The best known of his tales include Little Red Riding Hood, Sleeping Beauty, and Cinderella. Many of Perrault's stories, which were rewritten by the Brothers Grimm, continue to be printed and have been adapted to opera, ballet theatre, and film. This is a collection of some of these fairy-tale classics, in their original translations from French to English, before being adapted by other authors and groups.
